

Please be advised the Louisville & Jefferson County Republican Executive Committee are in receipt of your letter dated 5/26/10 regarding our "Year End Report (7/1/09 - 12/31/09)".

To address the first item in your letter: Our committee does not have a negative cash balance; unfortunately, prior reports filed by our committee were incomplete. Certain transactions (e.g. deposits) were excluded, that had they been included, would reflect a positive cash position for our organization. We are in the process of amending these reports from 2008 forward - having filed one of the amendments yesterday (reference FEC-479226) and will file the remainder in the next two days.

We will address your second item as we continue to amend reports covering the 2009 time period.

Thanks for your patience as we work to correct our FEC information.
